How can you support your child's spelling practice?

Each week, your child should practise their spellings in their homework books. They will be given a spelling home learning sheet with their spelling rule for that week and their spellings will be recorded in their planners. In order to practise this half term's spellings, you could try the following strategies that are most appropriate for this half term's spellings.

Words ending '-able'/'-ably', and '-ible'/'-ibly'

comfort_ble

Words without some/all vowels

This strategy is useful where the vowel voices are the challenge in the words. Write the words without the vowels and ask your child to choose the correct vowel to put in the space.

Adding suffixes beginning with vowels to words ending in '-fer'

refer reference referring

Your child could build words by adding suffix cards to the words cards. How many real words can they make?

-ed	-ing
-ence	-al
refer	
prefer	
transfer
