

Rights Respecting Reps Roles & Responsibilities

- Be a Change Maker
- Act as an ambassador for the school
- Understand the importance of children's rights and have a sound knowledge of the UNCRC
- Promote children's rights and the need to respect them with all stake holders
- Have initiative to think of ideas that will raise the profile of children's rights
- Attend regular meetings with other RR Reps, teachers and governors to discuss initiatives surrounding the UNCRC both within our school and the wider community
- Understand Global Citizenship and actively promote it within our school and the wider community
- Be brave and challenge others in a respectful way when children's rights are not respected: this may be adults or children
