Appeal for Forest School Helpers

Our Forest School sessions take place on Monday and Thursday afternoons. We are reliant on a wonderful team of volunteers to ensure an adequate adult: child ratio and need to increase our numbers so that sessions can go ahead.

Current volunteers will testify that the experience of supporting sessions is both fun and rewarding; we even hold an exclusive 'thank you' session in December for volunteers and their children. If you can spare a few afternoons, please leave your name and e-mail address at the school office FAO Liz Cole. All volunteers will need to hold/obtain a Lutley DBS.

Thank you.

Our School

Our school values are Learning, Caring, Aiming High-Together. We actively promote these values in everything that we do. We are excited to share what makes our school so special. Please click the link below.

Birthdays

Children can come in their own clothes on their birthday. If their birthday is in a holiday or weekend, they can wear their clothes on a school day closest to their special day.

Contacting Us

If you need to speak with your child's class teacher, then you can contact them via your child's planner or by emailing info@lutley.dudley.sch.uk.

Children can come in non-uniform on their Forest School days, including long trousers and preferably long sleeves. As the weather becomes colder, please ensure children have a jumper or fleece, a waterproof coat and a hat and gloves. **Please also send wellingtons and extra socks in a carrier bag.** We will have a few spares but not many. We do have waterproof dungarees which we can loan out, if necessary, but if your child has their own waterproofs, they can bring them and put them on before we leave the classroom. We serve Galaxy hot chocolate and may toast marshmallows (vegan option available), so please inform the class teacher if your child cannot have these items.

Thank you for your support.

Our New School Libraries

Our school libraries have had a makeover for the brand-new academic year. Children are enjoying browsing our new stock of marvellous titles in their weekly class library visits.

Tea-time talk idea: Ask your child – *What has made you smile about your class story time text?*

Remembrance

We will be asking for volunteers to kindly lay our Lutley Remembrance Wreath during the Halesowen Parade on the weekend of 10th November. Let us know if you would be interested in this.

On Monday 11th November, we will be marking Remembrance in school by carrying out a two minute's silence. In addition to this, the children will be exploring a range of enquiry questions linked to our history curriculum. More details to follow.

If your child attends a youth organisation group e.g. Scouts, Brownies, Cadets, then on Monday 11th November, they are invited to wear their relevant uniforms to mark the day.

A session of fun and educational activities, songs and rhymes.

Please can you help?

This year, Lutley would like to create and present a Remembrance Wreath and would like your help.

We are looking for our creative school community (children, parents, grandparents, families) to knit/crochet some remembrance poppies to add to our school wreath.

There is no set pattern or style as we think the variety will look beautiful when they are all collated and presented.

If you are able to help, please can you bring your poppies in on or before **Thursday 24 October**.

Each week, we will share a useful parent guide on a range of online safety topics. These are also available free to you if you sign up to National Online Safety. Keep your children safe by staying up to date! Also, take a look at <https://parentzone.org.uk/> for more.

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
