Get ready for the Winter Cup!

Winter Cup starts 10th November!

It's that time of year!

CENTURY's Winter Cup will be running from 10th November – 8th December 2024. To help promote learning on CENTURY and increase your child's chance of winning the trophy, please support your child to complete their weekly nuggets. We will also be promoting this in school.

11th November -
15th November Anti-bullying
Week.

This year's theme is 'Choose Respect'. The children will be learning and discussing this in their classes.

To raise awareness as a school, we will be taking part in the annual anti-bullying 'Odd Socks Day'. We invite your child to come to school on Tuesday 12th November wearing odd socks.

Odd Socks Day is designed to be fun! It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique!

Diwali

This week, in assembly and through a 'Pause for Thought' class discussion, the children have learnt about the festival of light and the traditions and beliefs of the Sikh and Hindu communities.

Well done to 3ES at 38% and 4KM at 31% for usage of TTRS over the half term holidays! Congratulations to our star class: 4LH for 45% usage. Keep up the good work!

Remembrance

On Monday 11th November, we will be marking Remembrance in school by carrying out a two minute's silence. In addition to this, the children will be exploring a range of enquiry questions linked to our history curriculum.

If your child attends a youth organisation group e.g. Scouts, Brownies, Cadets, then on Monday 11th November, they are invited to wear their relevant uniforms to mark the day.

A session of fun and educational activities, songs and rhymes.

Thank you

We would like to say a massive thank you to everyone who has sent in poppies for our Remembrance Day wreath. We have received *hundreds* of beautifully knitted and crocheted poppies, with different designs, colours, and styles.

We have made 3 wreaths, and we have many more left over, which we will use to make a display inside of school.

Also, thank you to Mr Chatterton for making our plaque.

Each week, we will share a useful parent guide on a range of online safety topics. These are also available free to you if you sign up to National Online Safety. Keep your children safe by staying up to date! Also, take a look at <https://parentzone.org.uk/> for more.

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 **MONITOR VIEWING HABITS**

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 **CHECK ONLINE CONTENT**

Understand what's being shared or what seems to be 'trending' at the moment.

3 **CHECK AGE-RATINGS**

Make sure they are old enough to use the app and meet the recommended age-limit.

4 **CHANGE PRIVACY SETTINGS**

Make accounts private and set content filters and parental controls where possible.

5 **SPEND TIME ON THE APP**

Get used to how apps work, what content is available and what your child likes to watch.

6 **LET CHILDREN KNOW YOU'RE THERE**

Ensure they know that there is support and advice available to them if they need it.

7 **ENCOURAGE CRITICAL THINKING**

Talk about what people might post online and why some posts could cause distress.

8 **LEARN HOW TO REPORT & BLOCK**

Always make sure that children know how to use the reporting tools on social media apps.

9 **KEEP AN OPEN DIALOGUE**

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 **SEEK FURTHER SUPPORT**

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
