### Life at Lutley

On Thursday 8th May, our school celebrated VE Day 80, marking 80 years since Victory in Europe was declared and World War II came to an end in Europe.

Some of our pupils have commented on their feelings throughout the day:

"We loved listening to 1940s style music while enjoying our street party picnic – it was an immersive and unforgettable experience."

"We spent the afternoon reflecting on our celebrations and how the people of that time must have felt on that remarkable day."

"In our class, we talked about why it is so important that we still remember and celebrate VE day today."

"It was wonderful to see the school dressed with poppies and bunting – it was like being transported back in time!"

## VE Day 80th Anniversary Celebrations

We are delighted to share what a truly memorable and enriching day our children had at school yesterday as we marked the 80th anniversary of VE Day. The atmosphere was filled with a sense of reflection, learning and togetherness as pupils across all year groups took part in a range of engaging and meaningful activities.

The day began with a special history lesson where children explored the significance of VE Day through oracy-based discussions and creative learning. They highlighted why it is so important to remember this momentous event in our history. Children also demonstrated their creativity and understanding by writing original song lyrics inspired by the themes of hope and peace surrounding VE Day.

Our Year 6 pupils took this opportunity to connect with the past in a particularly heartfelt way, writing letters addressed to war veterans. In these, they expressed gratitude for the sacrifices made and posed thoughtful questions about life during the war years.

Lunchtime was a joyful celebration as the whole school came together for a 1940s-style street party on the field. With bunting fluttering in the breeze and wartime music playing, the children enjoyed their picnic, listening to 1940s music and laughter in the spirit of community and togetherness.

In the afternoon, children took part in circle time where they reflected on their learning and discussed the importance of VE Day. The day concluded beautifully with the children singing *I'll Remember*, the special song written by the Royal British Legion to commemorate VE Day 80.

We are so proud of how respectful, thoughtful and engaged all the children were throughout this unforgettable day. It was truly wonderful to witness the school community come together in such a meaningful celebration of remembrance.

## Learning

### Year 5 Bikeability

Over the last couple of weeks, Year 5 pupils have taken part in the exciting Bikeability training programme.

This nationally recognised course teaches children how to ride their bikes safely and confidently on the roads, with a focus on essential cycling skills, road awareness, and responsible riding.

The children have had the opportunity to earn their Level 2 Cycling Proficiency badges — a fantastic achievement and an important step towards becoming independent, safety-conscious cyclists. Well done to all our budding bikers!

### Trust Council

This week, our Trust Council have come together to discuss our pupils' eating habits during break times. Their aim is to look at healthy initiatives to improve our food choices. Well done Trust councillors – thank you for being changemakers!

### School Council

The School Councillors have met this week to discuss the ways we can make lunch times even better. They brought their class council outcomes and shared further activities that their class would like to be available at lunch times.

They also discussed ways in which we could raise money for the equipment needed. As a School Council, we have collated all the data, ready for the Trust Councillors to take to their next meeting.

### Bookworms

Our bookworms have chosen our new 'Author of the Fortnight' - Hamza Yassin. During this week's meeting, Bethany in 6BR shared a book that she is currently reading by this author called 'Hamza's Wild World.' It is fantastic to see that our bookworms are reading authors that are less known to us so that they can enhance the reading repertoire of others. Over the next two weeks, the book worms are going to research Hamza Yassin and his books to share with their peers.

Well done to KS2 in their TTRS work this week - especially Year 4 with 100% usage in each class.

Congratulations to our star classes this week - 4GO, 4KM and 4LH.

Well done KS1 to all who have worked so hard on NumBots this week.

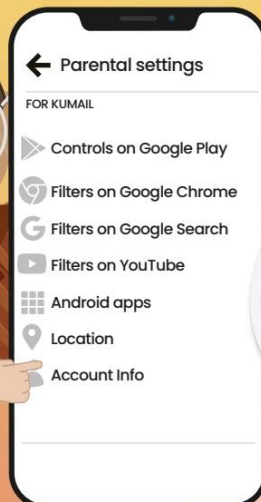

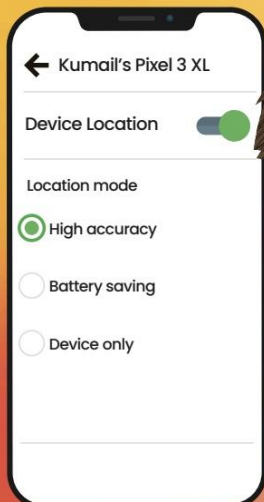

Congratulations to 1NF and 2TR for being our star classes with 73% and 90% usage.

## How to Set up PARENTAL CONTROLS for PRIVACY Android Phone

The settings on an Android device allow you to set certain rules to help safeguard your child's privacy when they are using it. For example, you can turn off location services to keep their whereabouts private; prevent third-party apps and sites from viewing their information; and stop apps from accessing other functions of the phone (like the camera or microphone, for example). We've produced step-by-step guides on how to tighten up an Android phone's privacy settings.

### How to manage location services

- 1 Open the Google Family Link app
- 2 Select your child's account
- 3 On the 'Settings' card, tap 'Manage'
- 4 Tap 'Location'
- 5 On the card with the correct device's name, tap 'Settings'
- 6 Tap 'Location Settings'
- 7 Turn 'Device location' to off
- 8 To reactivate location services in future, repeat these steps and turn 'Device location' back on

### How to control access for third-party apps and sites

- 1 Sign in to your Google Families account
- 2 Under 'Members', select your child's name
- 3 Select 'Account info' and then 'More'
- 4 Select 'Third-party apps with account access'
- 5 Turn 'Allow third-party apps to access XX account' to off by toggling the switch

### How to manage app permissions

- 1 Open the Google Family Link app
- 2 Select your child's account
- 3 On the 'Device' card, tap 'Settings'
- 4 Tap 'App permissions' then choose a permission
- 5 Below your child's device, switch the permission off

Alternatively, you can manage permissions for individual apps. Repeat steps 1 and 2, then ...

- 3 On the 'Apps installed' card, tap 'More'
- 4 On the 'Allowed' list, tap the app you want to change the permissions for
- 5 Tap 'App permissions'
- 6 Switch the permission off
