

Hales Valley Trust Schools' SEND Information Report Lutley Primary School September 2023

Introduction

This SEND information report is part of the Dudley local offer for learners with special educational needs and/or disability (SEND). This local offer can be found at the following site:

https://fis.dudley.gov.uk/localoffer/

All governing bodies of maintained schools and maintained nursery schools and the proprietors of academy schools have a legal duty to publish information on their website about the implementation of the governing body's or proprietor's policy for pupils with SEND. The information published must be updated at least annually. The required information is set out in the SEND Code of Practice 0 -25 Years, August 2014.

1	The type of	Hales Valley Trust consists of five mainstream primary schools catering for
	SEND	children from the age of 2 to 11. It welcomes children with and without special
	provision made	needs and supports children with a range of SEND. These may fit into one or
		more of the following areas:
		Broad Areas of Need:
		1) Communication and Interaction
		Autistic Spectrum Disorder (ASD) including Asperger's Syndrome
		 Speech Language and Communication Needs (SLCN)
		2) Cognition and Learning
		Moderate Learning Difficulty (MLD)
		Severe Learning Difficulty (SLD) - where children are likely to need
		support in all areas of the curriculum and have associated difficulties
		with mobility and communication.
		 Profound and multiple learning Difficulties (PMLD) - complex learning
		difficulties as well as physical disability or sensory impairment.
		Specific Learning Difficulty (SpLD) including dyslexia, dyscalculia and
		dyspraxia
		3) Social, Emotional and Mental Health Difficulties
		Attention Deficit Hyperactive Disorder (ADHD)
		Attachment Disorder (AD)
		4) Sensory and/ or Physical Need
		Physical Impairment (PD)
		Hearing Impairment (HI)
		Visual Impairment (VI)
		 Multi-sensory Impairment (MSI) A combination of vision and hearing difficulties
		Hales Valley Trust Schools have high expectations for pupils with SEND and
		endeavours to ensure that they:
		Achieve their best
		Become confident individuals
		 Make a successful transition through school and on to secondary
		provision.
		Each school uses its best endeavors to meet the needs of all children with SEND
		in consultation with parents, the Local Authority and specialist agencies from
		Health, Education and Social Care.

2	How do we	Identification & Assessment
	identify and	SEND pupils may be identified through the teachers' observations and assessment,
	assess	and school based criteria including:
	children with	Evidence obtained by teacher observations/ judgements
	SEND?	Performance against national expectations
		Pupil progress in relation to Early Years' Foundation Stage curriculum
		expectations and national curriculum targets
		• Standardised tests which are tests to compare children of the same age
		nationally or criterion referenced tests such as high frequency word
		checks or phonic knowledge checks.
		External agency reports and observations
		Records from previous schools
		Information from parents
		• We also closely monitor progress in areas other than attainment
		including social development and evidence that a pupil may have a
		disability under the Equality Act (2010).
3	How do we safeguard children with	We aim to ensure that all children are protected from harm. Children identified as having special educational needs are more vulnerable than children who have not been identified as they may find it more difficult to communicate with trusted
	SEND?	adults.
		We ensure that children with SEND are safeguarded by following the safeguarding policy and through ensuring that staff receive specific training on how to identify possible signs of abuse for these children and that regular refreshers are planned in.
		 <u>Relevant policies</u> SEN Policy Safeguarding Policy
4	What is our	See Hales Valley Trust SEND policy:
	policy for	
	making	Following identification and assessment we adopt a <i>graduated response</i> to meeting
	provision for	special educational needs and disabilities (SEND) in the following ways:
	all pupils	Providing high quality teaching for all, differentiated for individual pupils.
	with SEND?	Involvement of the SENCO: If a child's progress continues to be less than
		expected the class teacher will work closely with Special Educational Needs
		and Disabilities Coordinator (SENCO) to assess whether a child has a SEN or
		disability.
		The school will then put evidence-based or school designed interventions
		into place, targeted to the needs of the individual, to secure better
		progress for the child.
		 By providing specialist equipment: Where necessary a child may require specialist equipment to access and make progress in their logaring
		specialist equipment to access and make progress in their learning.
		By involving specialist agencies: For higher levels of need Hales Valley Trust
		schools will draw upon more specialised assessments from external
		agencies and professionals to support those identified with SEND.
		• By applying for an EHCP: If a young person's progress continues to
	1	demonstrate significant cause for concern despite interventions at school

		under the single category, a request may be made to the Local Authority
		for Statutory Assessment –Education, Health and Care Plan (EHCP).
		Other policies of note:
		Behaviour Policy
		Intimate Care Policy
		Anti-bullying Policy
		Health and Safety Policy
		Marking and Feedback Policy
		Policy for Supporting Pupils with Medical Conditions
		Complaints Policy
	How do we	At Hales Valley Trust the impact and quality of the support and interventions provided for individuals identified with SEN or Disability will be evaluated, along
а	evaluate the	with the views of the pupil and their parents.
	effectiveness of	
	provision for	Support plans will be put in place after consultation with parents and staff. The
	SEND pupils?	attainment and progress of pupils on these plans will be evaluated at appropriate
		intervals. The class teacher in collaboration with the SENCO will revise the support
		in light of the pupil's progress and development. Any outcomes or changes to the
		support will be discussed with parents and pupil.
		In addition, the SEND Governor, SENCO and school leaders will regularly review the
		use of expertise and resources used to address SEND. The quality of the whole
		school provision will be evaluated as part of our approach to school improvement.
b	What are the	SEND support at Hales Valley Trust is based on four types of action assess, plan, do,
	arrangement s	review:
	for	ASSESS
	assessing and	• SEND pupils may be identified in a range of ways as outlined in section 2
	reviewing	PLAN
	progress?	 In liaison with the SENCO, teachers will agree, in consultation with the persent and the pupil the interpretions and support to be put in place.
	progress:	parent and the pupil, the interventions and support to be put in place. Impact on progress, development or behaviour, along with a clear date for
		review will be expected.
		<u>DO</u>
		• The class teacher should remain responsible for working with the child on
		a daily basis.
		• Where the interventions involve group or one-to-one teaching away from
		the main class teacher, the class teacher will still retain responsibility for
		the pupil, working closely with any teaching assistants or specialist staff
		involved, to plan and assess the impact of interventions.
		• The SENCO will support the class teacher in the further assessment of the
		child's particular strengths and weaknesses, in problem solving and
		advising on the effective implementation of the support.
		Plan
		Once a child is identified with a Special Educational Need a support plan will be
		developed in consultation with the pupil and parents. This will include:
		No more than 4 short realistic and measurable targets related to the area
		of concern.
		• Suggested strategies to be used by teacher, support staff, parents and
		pupil
		 The teaching strategies to be used
		A start date and finish date of the intervention
		The provision to be put in place
		When the plan is to be reviewed

		Outcomes
		REVIEW
		• Support plans are to be reviewed termly, with input from the pupil,
		parent/carer, teachers, teaching assistants and outside agencies (if
		applicable).
		Pupils with an Education, Health and Care Plan have long and short term
		targets. Long term targets are reviewed annually at the annual review.
		Short term targets are devised and reviewed at least termly as described
		above.
С	What is our	At Hales Valley Trust class teachers are responsible for delivering high quality
	approach to	teaching, differentiated for individual pupils. Teachers will plan to ensure a
	teaching pupils	multi-sensory approach. Following identification and assessment we adopt a
	with	graduated response to meeting special educational needs and disabilities (SEND).
	SEND?	As much as possible support will occur in class, this may involve specialised
		resources or equipment and/or support from a Teaching Assistant (TA). Where
		SEND interventions involve group or one-to-one teaching away from the main class
		teacher, the class teacher will still retain responsibility for the pupil, working
		closely with any teaching assistants or specialist staff involved, to plan and assess
		the impact of interventions. Where possible, additional intervention work will
		ensure that children do not miss the same lessons each week. Hales Valley Trust
		will ensure evidence- based/ school designed interventions are delivered by
		appropriately trained staff.
		The SENCO will support the class teacher in the further assessment of the child's
		particular strengths and weaknesses, in problem solving and advising on the
		effective implementation of the support.
d	How do we	All pupils at Hales Valley Trust have access to a broad and balanced curriculum.
	adapt the	Teachers will have high expectations for individuals with SEND.
	curriculum/	Every teacher is required to adapt the curriculum to ensure access to learning for
	learning	all children in their class. Our teachers will use various strategies to adapt access
	environment for	to the curriculum, acting on advice from external agencies, when necessary. These
	SEND pupils?	might include:
		Use of technology
		Use of practical resources/ specialised or modified resources
		Peer mentoring systems
		Positive behaviour rewards system
		Additional adult support
		 Adaptation to visual stimuli including assessment materials
		Personalised activities
		Each learner identified as having SEND, is entitled to support that is 'additional to
		or different from' a normal differentiated curriculum. The type of support is
		dependent on the individual learning needs and is intended to enable access to
		learning and overcome the barrier(s) to learning identified. The school is accessible
		to parents and children with disabilities. Within the school we have facilities to
		allow for movement from the ground floor to the lower ground floor, toilet, and
		care room facilities. There are also allocated parking bays for the disabled on the
		main school car park.

	1	
e	What additional support for learning is available to SEND pupils?	At Hales Valley Trust where a pupil continues to make less than expected progress, despite evidence based SEND support delivered by appropriately trained staff, we would involve specialists to give advice on effective support and interventions. The involvement of specialists will always be agreed by parents and outcomes of visits will be recorded and shared with parents, teaching staff and other SEND support. The local offer will set out clearly what is available from different services and how it may be accessed. This may include: • Speech and Language Service • Educational Psychology Service • Learning Support Service • Autism Outreach • Physical Impairment and Medical Inclusion Service • Visual Impairment team • Hearing Impairment team • Cherry Tree Learning Centre • Child and Adolescent Mental Health Services • Occupational Therapy Service • Physiotherapy Service
f	What support for learning is available to SEND pupils when the school closes unexpectedly?	 Teachers will liaise with the SENCO and other relevant colleagues to ensure all pupils remain fully supported for the period of remote education. The SENCO will arrange additional support for pupils with SEND which will be unique to the individual's needs, e.g. via weekly phone calls, individual sessions relating to their APDR and EHCP targets. Reasonable adjustments will be made to ensure that all pupils have access to the resources needed for effective remote education. Lesson plans will be adapted to ensure the curriculum remains fully accessible and inclusive during the period of remote education. Teachers will be reviewing the programmes chosen for online learning for the accessibility features available, e.g. voice-to-text conversion to support pupils with SEND. The school will consider whether one-to-one sessions are appropriate in some circumstances, e.g. to provide support for pupils with SEND. This will be decided and approved by the Headteacher. As a result of school closures from March 2020 to March 2021, schools have made more use of assistive technology and online platforms to support learning. This has had a positive impact on provision which has continued within the classroom and school setting beyond 8th March 2021.
g	How do we enable SEND pupils to engage in all activities of the school?	Pupils identified as having SEND are supported to engage in all activities within school life. Reasonable adjustments and adaptations for participation are made in order to ensure access to all curriculum and enrichment opportunities, including before and after school clubs.

	What support available is for improving the	We recognise that persistent disruptive or withdrawn behaviours do not necessarily mean that a child has SEND.
	emotional, mental and social development of SEND pupils?	Appropriate assessments will be carried out to determine if causal factors are related to undiagnosed learning difficulties, communication and interaction difficulties or mental health issues and appropriate support will be put in place. This may include circle time activities in class, social skills evidence –based intervention groups or the involvement of specialist support. Specialist support may involve: Educational Psychology, Speech and Language, School Health Advisor or Child and Adolescent Mental Health Service.
		If housing, family or other domestic circumstances may be contributing to the presenting behaviour then a multi-agency approach may be appropriate through the Early Help process.
		Appropriate support will be provided in distressing circumstances, for example, where bullying is suspected or there has been bereavement, as we are aware of the significant impact that this can have on the well-being of a pupil.
		Policies of note:
		SEND policy
		Behaviour Policy
		Anti-bullying policy
		Wellbeing Policy
		Bereavement Policy

		 Where necessary specialist equipment, books or other resources that may help the child are purchased. Hales Valley Trust works closely with specialist professionals to ensure that accurate information is accessed regarding equipment and facilities to support SEND pupils. For example the Physical Impairment and Medical Inclusion Service (PIMIS) support the school where specialist equipment / resources are required.
8	What	Early Concerns
	arrangements	• The progress made by all pupils is regularly monitored and reviewed.
	are there for	Initially, concerns registered by teachers or other agencies are addressed
	consulting	by appropriate differentiation within the classroom and a record is kept of
	parents of	strategies used.
	pupils with	Where progress continues to be less than expected parents/carers will be
	SEND, and	invited in to school to begin the Assess, Plan, Do, Review process.
	involving them	• There is an open-door policy. Parents can arrange to meet with their
	in their	child's class teacher or Special Needs Coordinator to discuss any concerns
	education?	at a mutually convenient time.
9	What	• As discussed, where progress continues to be less than expected the
-	arrangements	SENCO will invite parents/careers in to discuss the next steps in order to
	are there for	further assess the young person. Following this the SENCO or class
		teacher will meet with the young person to complete their plan. This will
	consulting	include the child's thoughts on their strengths and weaknesses and
	pupils and	suggestions for targets to work towards. It will also consider support that they feel would be appropriate and helpful. A date will be set when this
	involving them	will be reviewed with the child.
	in their	 Depending on their age, pupils with an Education, Health and Care Plan
	education?	are invited to submit their views in writing as part of their annual review
		as well as to attend the review itself.
10	Governing body	Arrangements for considering complaints about SEND provision.
	arrangements	If a parent/carer has a complaint about SEND provision it should first be raised
	for the	with the school. In the first instance concerns should be raised with the class
	treatment of	teacher. If a satisfactory outcome is not achieved the SENCO will become involved.
	parental/	In some instances, it may be necessary to consult the Head Teacher. In extreme
	pupil complaints	cases the parent may be referred to the LA. A parent can also be directed towards
	concerning the	the Special Educational Needs and Disability Information, Advice and Support
	school's	Service (SENDIASS 01384 817373).
	provision	See Complaints Policy.
11	How does the	We work closely with the Local Authority and other providers to agree a variety of
	governing body	specialist services and have clear arrangements for making requests for specialist
	involves other	services.
	bodies (health,	We commission some specialist services directly, for example:
	social care LA	Learning Support Service
	support	Educational Psychology Service.
