

Use of Sports Premium in 2016/2017

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Sports Premium funding objectives:

1. To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports
2. To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence
3. To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce
4. Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement.

Measuring the impact of Sports Premium Spending

PE leaders, management and coaches from Sporting Stars work together to provide support and monitor impact for the pupils in PE. Activities and provision are carefully planned for and evaluated by these staff, who monitor the impact on the pupils in a variety of ways:

- Evidence arising from observations of learning taking place in lessons.
- Pupil voice opportunities: discussions with pupils about the activities they have undertaken and their experience of teaching and learning in P.E.
- Discussions about teaching and learning with teachers and coaches.
- The views of pupils and staff.

How we are using our sports premium

- **hiring specialist PE teachers** or qualified sports coaches to work with primary teachers when teaching PE
- paying for **professional development** opportunities for teachers in PE and sport
- providing cover to release primary teachers for **professional development** in PE and sport
- running **sport competitions**, or increasing pupils' participation in competitions
- buying **resources** for PE to enhance the learning and support the teaching of the subject
- buying **quality assured professional development** modules or materials for PE and sport
- providing places for pupils on **after school sports clubs** and holiday clubs

Sporting Stars Coaching Ltd are the company we continue to consult when improving and implementing our School Sport Plan. Sporting Stars Coaching Ltd has a **wide range of knowledge and experience** with school sport and PE and we use them to **identify our strengths** and **areas for development** and provide us with **feedback** on how to **improve** our best practice. We are **dedicated** to developing **innovative sports education**, which will help our pupils live a **healthy, fun and active lifestyle**.
